

Gentlemen,

As a private citizen I would ask that you stop ALL unsolicited telemarketers. This would include business, political groups and charitable groups. This can be done with a "one time, one call" toll free number, (telemarketers pay for system). Once a person "opts-out" using the toll-free number, telemarketers have (-01-) one business day to remove from any and all data sets / or lists. (I am single, subscribe to no list's and still get 3 to 5 call per night).
